

# RADIO DRIVE ONE BREATH AWAY

Radio Drive featuring Kevin Gullickson had just released a full album in September of 2021, titled “**Before The Day is Through**”. It was still the early winter months of 2022 in Minnesota, where Kevin lives and has his home studio. The timing wasn’t quite right to resume live performances, so Kevin being the ever busy musician, songwriter and recording artist, decided to record some new song ideas before the arrival of spring. He didn’t want to undertake such a huge project as a full album and yet had too many songs to just release a single, so a 4 song EP was the perfect option.

It only took a few months to lay down the tracks and arrange the songs. Kevin played all the instruments himself and worked with some midi software to add additional string and keyboard arrangements. For the drum tracks, Kevin hired **Matteo Andriago**, a session drummer from Italy. Matteo has been Kevin’s “go to” drummer for the last few albums.

Looking for more of a pop feel to the album, Kevin worked with Steve “**Mr Mig**” **Migliore** to do the final mix and mastering. Steve has worked with several platinum selling artists, including **Taylor Swift, Justin Timberlake, Beyonce** and **Madonna**.

The four songs each have a different feel and meaning.

- ◆ **I Believe I Believe:** A song of faith and hope, something we all need.
- ◆ **Moment by Moment:** Cherishing the precious moments we have with our loved ones.
- ◆ **Be Yourself Tonight:** So many difficulties people deal with can be resolved by becoming their true and authentic self.
- ◆ **Don’t You Know:** The deep commitment of love drawing out the best in someone.

Before the official release of the EP on August 5th, 2022, songs were already gaining attention. “**Don’t You Know**” won the **Top Finalist Award for Best Rock Song** by the **World Songwriting Association (WSA)**. We look forward to more excitement and attention as the new EP is released.
